What you should know...

- With three joined bunk beds, whilst the fifth bedroom might be a dream for young children we think it wont be as fun for adults
- There is no safety fence around the pool and as such children will need to be supervised at all times when outside
- Due to the area, we recommend renting a car during your stay to make it easier to get around
- Please note that the nearest restaurant is closed during the winter months and opens around April the 1st
