Location & Local Information

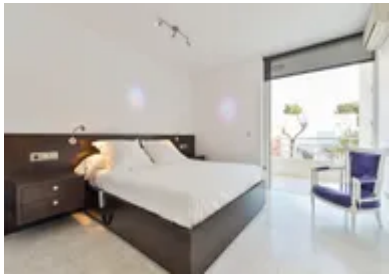

San Antonio is a great place to stay for its lively atmosphere, electric nightlife and one of the widest varieties of fun things to do on land and on water. And it is home to those world-famous Ibiza sunsets! The Sunset Strip is the ideal place to enjoy a cocktail, listen to all the latest summer sounds and then watch the sun slowly sink below the horizon in a blaze of vivid oranges, reds and pinks.

A marvellous view across San Antonio Bay can also be had from the long strip of sandy beach, where a mainly younger crowd meets. Late afternoon they move onto the many bars that line the seafront promenade to get into the mood for those long Ibiza nights. You can also visit beautiful beaches nearby like Cala Bassa and Cala Conta, by taking one of the small ferries that run all day from the marina.

Fun on the water is a big thing in San Antonio. You can try one of the many boat excursions, party on sea with a boat party or get into activities like jet skiing, parasailing and much, much more. And later on, enjoy San Antonio's legendary nightlife, with super clubs Es Paradis and Eden, beach club O Beach Ibiza, pool party venue Ibiza Rocks Hotel, many smaller cool venues and the bars of the famous West End.
