Location & Local Information

Maison Jenny enjoys a stunning setting in a remote location with glorious natural surroundings, yet just a 4km drive from artistic Saint-Rémy-de-Provence.

Saint-Rémy-de-Provence is a place where Provençal tradition meets bustling town charm. The market town offers a tapestry of cobbled streets, sun-drenched squares, art galleries and little boutiques. Discover the legacy of Van Gogh, who painted some of his most iconic works here, and wander through the archaeological site of Glanum, where Roman ruins rest beneath olive trees and cypress. The Wednesday market is a sensory feast – stalls brimming with local cheeses, lavender honey, cured meats and other Provençal products.

A winding drive through the beautiful landscapes, the dramatic hilltop village of Les Baux-de-Provence (11km) rises from the rock like a medieval dream. Stroll through its ancient streets and explore the ruins of the castle of one of France's 'Plus Beaux Villages'. A little further south, the twin villages of Maussane-les-Alpilles (12km) and Paradou (14km) are known for their pretty lanes, shaded cafés and access to some of the region's most cinematic landscapes – think olive groves, almond trees and limestone cliffs.

Venture to Eygalières (15km), a picture-perfect village that captures the essence of rural Provence. A favourite among locals and in-the-know travellers, it boasts stunning views towards Les Alpilles, quaint stone houses, and a handful of places to eat from authentic bistros to the Michelin starred Maison Hache.

For a day steeped in culture, Avignon and Arles are within easy reach. In Avignon (24km), explore the grand Palais des Papes and stroll the famous bridge that inspired the nursery rhyme. In Arles (25km), Roman amphitheatres, vibrant art galleries and lively markets offer a deeper glimpse into the region's heritage.

Extend your journey west to Nîmes (45km), home to some of the best-preserved Roman architecture in France. Combine it with a visit to the Pont du Gard (40km), a breathtaking Roman aqueduct and UNESCO World Heritage Site that spans the Gardon River – a masterpiece of ancient engineering that still leaves visitors in awe.
