

Villa Baleo

Region: Galicia Sleeps: 10

Overview

Set along the striking Galician coastline, Villa Baleo offers a calm, contemporary base with wide Atlantic views and direct access to the shore. Clean architectural lines and full-height windows frame the surrounding seascape, creating a strong sense of connection to the outdoors.

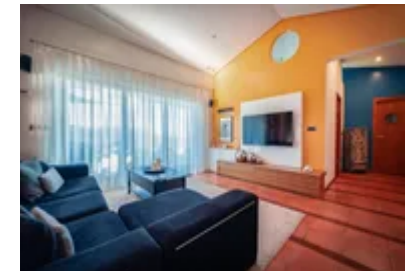

Inside, the design is modern and minimal, with comfortable furnishings, polished finishes, and an open-plan layout that flows easily from living to dining to terrace. A private pool sits just outside, perfect for cooling off on a warm day.

The bedrooms are bright and simple, each one designed to make the most of the coastal light and views. A well-equipped kitchen makes self-catering easy, while generous communal spaces both indoors and out offer room to relax, gather, or simply watch the sea.

Days here move at your pace—whether that's wandering down to the beach via a private path, exploring nearby fishing villages, or enjoying quiet time on the terrace. As evening falls, the setting sun and sound of the waves do the rest.

Location & Local Information

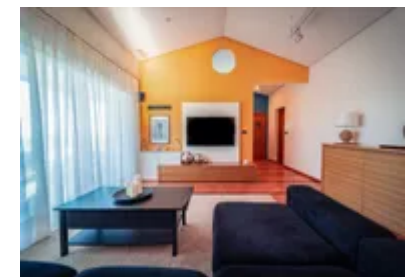

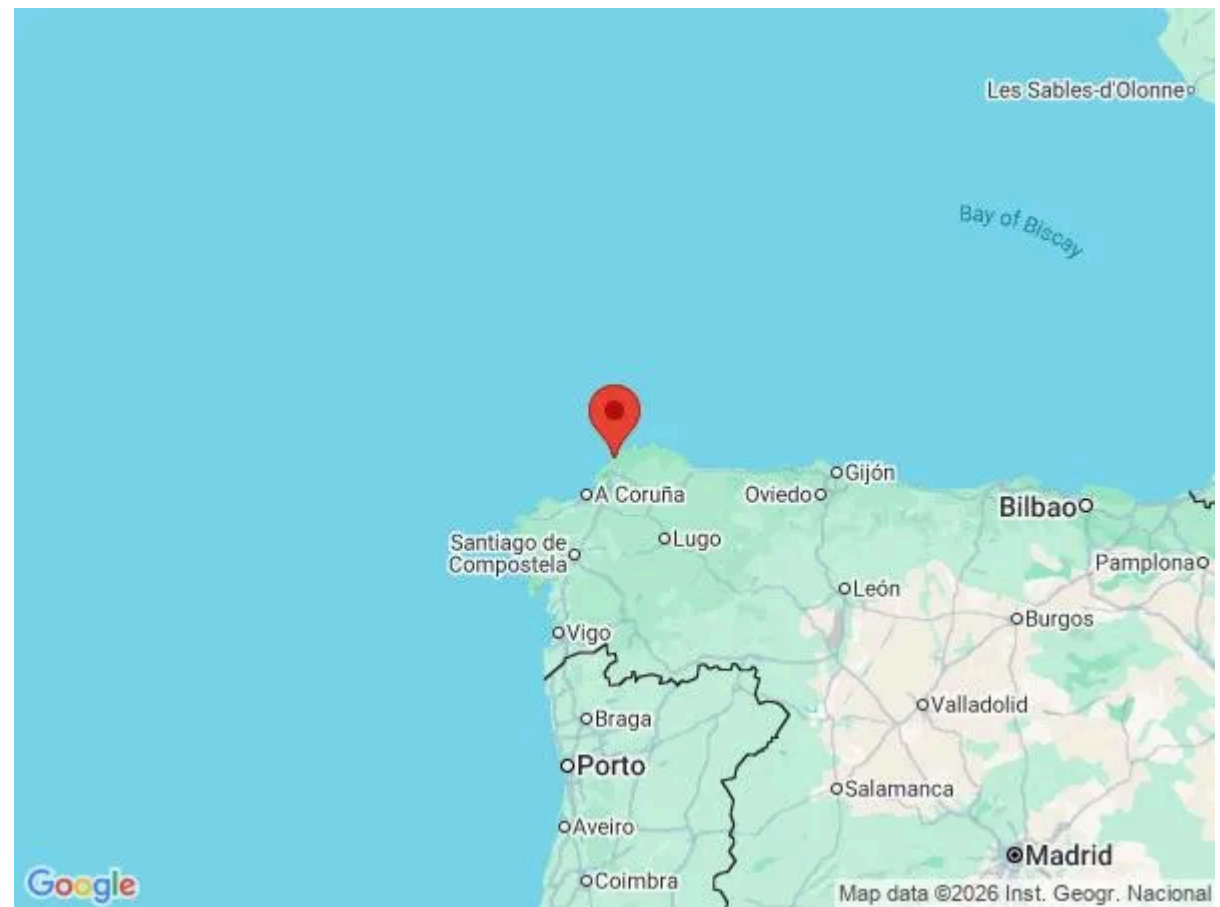

Positioned on Galicia's wild northern coast, this villa enjoys a peaceful setting near A Gabeira—an area prized for its untamed Atlantic views, fresh sea air, and sense of privacy. Just moments from the water's edge, the location captures the raw beauty of the region: jagged cliffs, open ocean, and wide skies that shift with the light.

While the surroundings feel far from the everyday, essentials are within easy reach. Local beaches offer space for morning swims and long coastal walks, and small fishing villages nearby provide fresh seafood, low-key dining, and glimpses of traditional Galician life. The historic port town of Ferrol is just a short drive away, offering further amenities, cultural sites, and transport links.

What makes this location truly special is its balance—remote enough for uninterrupted views and quiet mornings, yet connected enough to explore the region with ease. Whether you're drawn to the coastline for its surf, its stillness, or its rugged charm, this is a place that invites a slower pace and a deeper connection to nature.

What we love

- Villa Baleo is less than a 5 minute walk from the beach, meaning sea and sand is easily accessible!
- The large garden means there's plenty of space for children and adults alike to muck around outside
- The views of the ocean from the villa are spectacular, and the terrace is a great spot to watch sunsets

What you should know...

- Whilst the villa itself is set all on one floor, the garden is split over three levels, and the pool is on the lowest level furthest from the house, which should be kept in mind for those with limited mobility
- Car hire is advised, so that guests can explore beyond the villa with ease!
- The pool is unfenced, and as such parents should make sure that children are well supervised at all times
