

# Can Sant Joan

Region: Ibiza    Sleeps: 16

## Overview

Set amongst the northern side of Ibiza, Can Sant Joan is a modern villa surrounded by olive trees, citrus orchards, and almond groves. Just a short drive from Santa Eulalia, this private estate offers a calm, spacious setting with views of the island's natural beauty.

The villa combines clean, contemporary design with open, light-filled interiors. 8 bedrooms are spread between the main house and guest house, with both double and twin bed layouts available, offering flexible accommodation for families or groups. There are 2 bedrooms in the guest house, and 6 in the main house. The large kitchen, equipped with an island and top-line appliances, opens onto the outdoor dining space - ideal for relaxed meals throughout the day. Living areas are pared-back and stylish, with thoughtful touches that balance comfort and simplicity.

Outside, there's plenty of space to unwind. The 14-metre pool sits beside a jacuzzi and sun loungers, framed by neat lawns and shaded spots for quiet afternoons. A summer kitchen and barbecue area make outdoor dining easy, while the private gym and yoga space support a more active stay. There's also an outdoor cinema for low-key evenings after the sun goes down.

Whether you're spending time with family, celebrating with friends, or simply looking for space to slow down, Can Sant Joan is a well-designed base for discovering the quieter side of Ibiza.

# Location & Local Information

Can Sant Joan enjoys a peaceful rural setting in Ibiza’s northeast, just inland from the coastline and close to the island’s more authentic, low-key side. Surrounded by farmland, pine forests and fruit orchards, the villa feels private and tucked away—yet it’s only a 15-minute drive to Santa Eulalia, where you’ll find sandy beaches, waterfront restaurants, and a relaxed atmosphere that’s ideal for families.

The charming village of San Carlos is also close, known for its artisan market, casual tapas spots, and the iconic Bar Anita. For a day at the beach, guests can head to Cala Nova or Cala Llenya - two local favourites with clear waters and laid-back beach clubs. The area is also great for exploring by bike or on foot, with scenic country trails winding through the hills and valleys.

Despite its secluded feel, the location offers good access to the rest of the island. Ibiza Town and the airport are about 30 minutes away by car, making arrival and day trips easy. Whether you’re planning to stay local or explore further afield, the villa’s location strikes a perfect balance between privacy and convenience.
