- Just a 5-minute drive from the villa leads you to one of Galicia's most iconic beaches, perfect for daily swims, surfing, or sunset walks
- The villa's pool is not only beautifully positioned to overlook the valley and coastline, but is also fenced for added child safety, making it ideal for families with young children

What you should know...

- The villa is located in a quiet, rural area surrounded by vineyards, so nightlife and shops are a short drive away rather than within walking distance - therefore car hire is advised
