Region: Galicia    Sleeps: 6

## Overview

Villa Meigallo is a beautifully restored stone property located within a traditional Galician manor house, just a short drive from the renowned thermal spa town of Ourense. Blending traditional granite architecture with modern, minimalist interiors, the villa offers a calm and comfortable setting for both summer holidays and winter breaks. With space for families or groups of friends, it provides a well-balanced mix of character and contemporary living.

The villa is surrounded by attractive gardens that retain original features such as a stone fountain, an old well, a granary, and a vine-covered granite dining table. These elements contribute to the property's charm and reflect the local architectural heritage. Guests have exclusive use of the saline infinity pool, a barbecue area, and a small vegetable garden. Inside, the property includes an open-plan kitchen, a comfortable living and dining area, and three en-suite double bedrooms, some with balconies or terraces offering garden views. All of the rooms are well designed and have exposed walls highlighting the incredible Galician stone that has been used to build the property itself.

Situated in a peaceful rural location, Villa Meigallo is approximately 25 minutes by car from Ourense and its historic centre, and around an hour from Santiago de Compostela and the Ría de Vigo coastline. Villa Meigallo provides a quiet and well-appointed base from which to explore this part of north-west Spain.
