# Villa Sambay

**Region:** Punta Cana & Cap Cana **Sleeps:** 16

## Overview

From the moment you step onto the soft stone pathways that curl around tranquil lily ponds, Villa Sambay unveils itself as a masterclass in seamless indoor-outdoor living. Designed in a graceful arc, the villa's airy spaces curve naturally around the central pool terrace, where tropical blooms rise from the shallows and loungers bask under Caribbean sun. A palapa-roofed bar and alfresco dining area beckon for long, leisurely meals, while the scent of wood-fired pizza drifts from the outdoor oven.

Inside, flowing lines and cool neutral tones frame expansive living areas, each one carefully composed with plush furnishings, marine accents and mood-lit refinement. The eight spacious bedrooms each come with spa-style ensuites and calming garden or pool views, while the master offers the added decadence of a private outdoor tub.

There's as much to do as there is to admire: enjoy a movie night in the cinema room, test your aim in the squash court, sneak a bottle from the wine cellar, or wind down in the massage hut nestled under swaying palms.

Tucked within Cap Cana's gated community, and minutes from white sands, a championship golf course, and the marina, Villa Sambay is both a private playground and a coastal retreat, entirely your own.
