

Aegea Estate

Region: Corfu Sleeps: 24

Overview

On a secluded 27-acre stretch of Corfu's southeastern coastline, Aegea Estate offers a rare kind of stay, unhurried, immersive, and utterly private. This exclusive retreat is the island's only waterfront estate that can welcome up to twenty-four guests, with two elegant residences and a series of guesthouses scattered among centuries-old olive groves. Each morning begins with the hush of the Ionian Sea just metres from your door, and each evening closes with dinner by candlelight under a canopy of grapevines or stars.

Across the estate's three properties, Chapel View, Villa Alexis and Boukari Bay, you'll find a harmonious blend of contemporary comfort and authentic Greek charm. Interiors echo local traditions: exposed stone walls, timber-beamed ceilings and sun-splashed terraces. There are twelve bedrooms in total, with spaces to gather and places to retreat. Two swimming pools, a tennis court, sea-view dining terraces, and a private jetty set the tone for a stay that flows as easily as the tide.

Whether you're hosting a special gathering or simply looking for a place to unwind, Aegea Estate offers a luxurious escape that feels deeply connected to nature, the sea, and Corfu's timeless rhythms.

Location & Local Information

Tucked between the olive-clad hills of Corfu's southeast and the clear shallows of Boukari Bay, Aegea Estate lies in a privileged position, entirely hidden yet perfectly connected. Step from your terrace into the Ionian Sea, then stroll to a nearby taverna for grilled whitebait and local rosé. The charming fishing village of Boukari is within walking distance, while Corfu Town's historic streets and stylish shops are a scenic forty-five-minute drive away.

The estate's setting is not just beautiful, it's storied. From your sun lounger, you can gaze out to the ruins of ancient monasteries or trace the curve of the coastline by boat. Protected by its surrounding grove of more than 900 olive trees, Aegea is a sanctuary where privacy is absolute, and the soundtrack is birdsong, crickets, and the sea.

What we love

- Its unique capacity to host twenty-four guests across three stylish properties makes it ideal for multigenerational gatherings or retreats.
- A wealth of amenities; two swimming pools, tennis court, sea sports gear, home cinemas, and even a 16th-century chapel on site!
