Overview

El Mar Dos, located on the beachfront, offers an unparalleled living experience, where comfort, elegance and nature blend in perfect harmony. With breathtaking panoramic sea views, every corner of this residence has been designed to maximise natural light and the coastal environment.

Set across 648 m² and served by a private lift, this south-east facing villa brings ease and style to every corner of your stay. The layout flows from a striking main level with an open-concept living and dining space, to a spacious 125 m² terrace featuring an infinity pool with counter-current swimming, ideal for both leisure and active swimmers.

The master suite is all about indulgence: king-size bed, dressing room, spa-like bathroom, private terrace, and a Jacuzzi for four - all with commanding sea views. Additional bedrooms offer flexible arrangements for families or friends, each with its own en-suite. Downstairs, unwind in the home cinema, keep fit in the Technogym-equipped gym, or recharge in the sauna.

With a rooftop solarium, outdoor dining areas, and private garage access, El Mar Dos is tailored for guests who appreciate privacy, design, and every modern comfort—without compromise.

To fully enjoy the sea in an exclusive setting, the resort also has our private beach club, which can be accessed by a footpath or by the resort's shuttle service (less than 5 minutes). There you will find reserved sun loungers and parasols, jet ski, paddleboard and water ski rentals, scuba diving and even a 37-foot catamaran and large sunbathing areas, perfect for spending the afternoon with family or friends in the beautiful bay of La Herradura or in one of the small coves along the coast that are only accessible by sea.
