What we love

- The open-plan layout makes it easy for families to spend quality time together, whether cooking, relaxing, or dining indoors or out.
- Peaceful village setting just a short drive from the Douro River, ideal for exploring, then retreating to your own private space.
- A sleek, modern design that balances comfort with style, including a private pool and scenic valley views.

What you should know...

- The villa is situated in a small village, ideal for peace and quiet; however, a car is necessary for accessing shops, restaurants, and the river.
- The pool is not fenced, so children must be supervised at all times when outdoors.
- While the sofa bed offers extra sleeping space, it is only suitable for children rather than adults.
