Location & Local Information

Villa Valle Orotava is situated in a quiet residential area within the Orotava Valley, in northern Tenerife. The property offers a peaceful setting with views convenient access to local points of interest. The town of La Orotava, known for its historic buildings and traditional architecture, is approximately 5 km away, while the coastal resort of Puerto de La Cruz can be reached in about 10–15 minutes by car. Visitors will find a range of attractions nearby, including the Botanical Gardens (7 km), Playa Jardín beach (8 km), and the popular Loro Parque Zoo (10 km). The area is also well-suited for walking and hiking, with forested trails and recreational areas such as La Caldera within easy reach, and access to Teide National Park approximately 30 minutes away by car.

Northern Tenerife offers a different experience from the island’s southern coast, with a milder climate and more vegetation throughout the year. The region is less developed in terms of large-scale tourism and retains a stronger connection to the island’s cultural and agricultural traditions. Coastal towns and inland villages provide opportunities to explore local markets, sample regional cuisine, and visit natural sites such as volcanic rock pools and black-sand beaches. This part of the island may appeal to visitors interested in nature, outdoor activities, or a quieter base from which to explore Tenerife’s varied landscapes. Villa Valle Orotava serves as a practical starting point for discovering the attractions of the north.
