## Overview

Step through the doors of Chalet Clairval and into a world of timbered elegance where the scent of pine mingles with crisp alpine air. The heart of the chalet is a vast, open-plan living space where natural wood tones, plush textures and a contemporary fireplace create an irresistibly cosy atmosphere. Five serene bedrooms each feature their own en-suite bathroom, blending clean lines with warm alpine character. A dedicated cinema room invites quiet evenings in, while a sleek modern kitchen and dining area offer the perfect setting for shared meals and mountain tales.

Outside, snow-dusted balconies and generous terraces wrap around the property, revealing sweeping views of Les Gets and the surrounding peaks. Soak in the hot tub as dusk turns the sky violet, or begin the morning with sun salutations in the private yoga space, complete with mats. In winter, the pistes lie just minutes away. In summer, the hills bloom into meadows alive with colour, inviting hikes and picnics beneath open skies.

Perched above the village yet close enough for convenience, Chalet Clairval offers a refined take on alpine living, one where every detail feels quietly exceptional.

After a day on the slopes, stroll into Les Gets for its lively après-ski, artisan shops and traditional restaurants serving Savoyard specialities.

In summer, Les Gets transforms into a haven for outdoor enthusiasts, with mountain biking trails, lakes, and walking paths winding through wildflower-strewn fields.
