

Chalet Bravine

Region: 3 Valleys **Sleeps:** 14

Overview

Tucked into the hillside just minutes from Méribel Village, Chalet Bravine welcomes you with a sense of grandeur softened by alpine textures and natural light. Across its three levels, each accessible by lift, timber beams frame sleek stone accents, while wide glass doors invite the mountains in. The main living space is both impressive and warm: a log fire flickers beside soft armchairs, a long dining table stretches toward views of the valley, and a bright kitchen with marble surfaces stands ready for shared meals and celebration.

With six bedrooms and seven bathrooms, the chalet comfortably accommodates up to fourteen guests, with a layout ideal for ten adults and four children. Downstairs, a private indoor pool provides a peaceful hideaway, while the sauna offers quiet recovery after snowy adventures. A wine cellar and home automation system add subtle modernity without losing touch with the chalet's inviting warmth. Outside on the balcony, morning sunlight streams over the treetops and coffee tastes better with mountain views.

Located just 3km from the lifts and energy of Méribel Village, Chalet Bravine feels close to everything yet far enough to savour the stillness of the Alps.

Location & Local Information

Chalet Bravine sits just 3km from the heart of Méribel Village, offering easy access to the famed Three Valleys ski area while providing a peaceful setting away from the main bustle. Méribel itself is known for its traditional Savoyard architecture, charming boutiques, and varied dining options ranging from cosy fondue spots to stylish bistros. The après-ski scene offers a relaxed, friendly atmosphere perfect for winding down after time on the slopes.

In summer, the region transforms into a green playground. Guests can explore extensive hiking and biking trails, enjoy lakeside picnics or visit the Méribel Golf Club. The surrounding area is steeped in alpine culture and natural beauty, making it a year-round destination for both adventure and rejuvenation.
