

Relais Della Quiete

Region: Tuscany **Sleeps:** 28

Overview

Relais Della Quiete feels like a well-kept secret, nestled deep within the Tuscan hills where the rhythm of nature sets the pace. This historic estate, once a medieval monastery, has been sensitively restored to preserve its soul while introducing refined comforts throughout. Thick stone walls, original timber beams and terracotta floors tell a thousand-year-old story, while the peaceful spa, indoor pool and curated interiors create a space of calm and contemplation.

The eight suites are elegant and pared-back, each with their own character and charm. Soft linens, antique furnishings and soothing colours complement views across cypress-dotted hills and Siena's distant skyline. At the heart of the property, the restaurant serves authentic Tuscan cuisine made with ingredients grown just steps from the table.

Beyond the walls, 50 hectares of woodland and gardens invite slow mornings, shaded walks and dinners under the stars. The estate's elevated position offers a rare sense of seclusion, yet Siena and Monteriggioni lie just minutes away. Whether relaxing in the wellness area, exploring nearby vineyards or simply watching the light shift over the hills, every detail encourages stillness and connection.

Relais Della Quiete is more than a place to stay. It is a setting for celebrations, weddings, retreats, family gatherings or unforgettable holidays in the heart of Tuscany.
