

# Villa Comble

Region: Provence-Alpes   Sleeps: 12

## Overview

Beyond the stone walls of Villa Comble, the Provençal landscape stretches in golden hues, framed by the distant ridges of the Luberon. Here, soft lavender-scented breezes drift through olive trees, and sunlight dances across the surface of a private heated pool. Recently renovated with a crisp, minimalist elegance, this contemporary yet characterful *mas* offers a spacious retreat designed for effortless summer living.

Inside, clean lines and refined finishes create a sense of calm sophistication, contrasting traditional wood beams. The open-plan living area invites conversation and relaxation, flowing out through wide glass doors to a shaded terrace with panoramic views across the valley.

Each of the five double bedrooms is air-conditioned and paired with a private bathroom, offering comfort for up to 10 guests. Three are located on the ground floor with queen or king-size double beds (one which can be made up as a twin), while the master bedroom upstairs features a private balcony and breathtaking outlook. For those seeking their own space, the fifth bedroom is tucked into the stylish pool house, complete with its own bathroom, TV and pretty poolside setting.

Step outside and savour the Provençal lifestyle at its most authentic. The pool house boasts a summer kitchen and large shaded dining area, perfect for leisurely lunches and al-fresco dinners long into the evening overlooking the heated swimming pool. Around you, the landscaped garden overflows with native plants and scenic views, while a game of pétanque and a glass of local *rosé* promise a moment of joyful simplicity.

Just ten minutes by car from Gordes, one of the region's most celebrated hilltop villages, Villa Comble is ideally placed for exploring the beauty of the Luberon. Wander through lively local markets, dine in tucked-away bistros and sip wine under the Provençal sun.

Whether gathering with family or spending time with friends, Villa Comble offers an elegant base for discovering the rhythms of southern France at their most refined.

# Location & Local Information

Set amid the beautiful landscapes of the Luberon, Villa Comble enjoys a fine position just a 10-minute drive from the iconic hilltop village of Gordes. The villa itself is set in gorgeous gardens with stunning views of the Luberon valley, in an attractive semi-residential area between Gordes (5.5km) and Beaumes (3km).

Surrounded by lavender fields, rolling vineyards and oak forests, Gordes represents quintessential Provence at its finest – a place where time slows and golden light bathes the hills. Gordes is a spectacular village with its honey-hued stone houses, cobbled lanes and vibrant weekly market on a Tuesday morning. Meander through art galleries and boutiques, or take in sweeping views from the castle's lofty perch.

Just as enchanting are the nearby villages of Ménerbes (6km), Goult (9km), Roussillon (14km) and Oppède le Vieux (9km) – each one rich in Provençal character and a delight to explore. From the terracotta cliffs of Roussillon to Ménerbes' wine estates, there's something to discover around every bend.

Active guests will relish the many walking and cycling trails crisscrossing the Luberon's hills and valleys. Local wineries open their doors for tastings, while Coustellet's Sunday farmers' market, just a short drive away, offers a feast of regional produce. For a more bustling scene, Apt's legendary Saturday market (21km) is a must, with its heady mix of cheeses, olive oils and sun-ripened fruit.

Beyond the Luberon, head to L'Isle-sur-la-Sorgue (15km) to browse the famous Sunday brocante and antique shops set along scenic canals. Nature lovers can paddle the Sorgue River near Saumane-de-Vaucluse (16km) or follow forest trails through pine and cedar. And for a taste of Provençal city life, day trips to Avignon (36km) or a leisurely lunch in Saint-Rémy-de-Provence (40km) add a touch of cultural flair.
