Location & Local Information

Villa Viros enjoys a heavenly location above Viros, an ancient inland village in central Corfu. It is an ideal location, also close to the village of Perama, to explore the island. Surrounded by hills sprinkled with verdant greenery, the location is magical and very quiet. In recent years, Viros has become popular with the music scene with famous artists performing in the village. The villa is located on a small private hillside road so guests enjoy total privacy.

Villa Viros is close to the mountainous area of Gastouri, also known as Acheillo. The Achillion Palace is wrapped in acres of lush greenery and parkland. The famous summer palace of Empress Sisi of Austria draws intrigue due to its historical and cultural significance. Built in 1898 by an Italian architect with inspiration from Greek mythology, it boasts iconic sculptures of Zeus, Hera and Achilles himself which were created by a German sculptor for the beloved Empress of Austria. The palace is surrounded by dazzling gardens and has incredible views of the Ionian Sea.

Corfu Town or Kerkyra as it is otherwise known, is one of the most beautiful, graceful and elegant towns in Greece. Though seventh in size, it is one of the most populated in the whole of the Ionian Islands. The town's stunning architecture has many influences including Sicilian, Venetian, French and English. Corfu Town is brimming with elegant mansions, magnificent palaces, beautiful squares, no fewer than thirty nine churches and majestic fortresses. You should not miss The Liston and the Church of Saint Spiridon. The entire Old Town is declared a UNESCO World Heritage site, a tightly-packed warren of winding lanes bursting with lively bars, unique shops and fine restaurants. You will also see timeless alleys with the day's washing stretching from balcony to balcony. The architecture is painted in sunny ochre and sienna shades. Just off Spianada Square is the Old Fortress on the site of an acropolis. From here, there are breathtaking views. Corfu Town is the birthplace of the late Duke of Edinburgh. He was born at the fabulous Mon Repos Palace. Next to the palace gardens you will find the calm waters of the

Mon Repos Beach and to the north, you will find Faliraki Beach. There are also some interesting museums including the Byzantine Museum of Corfu which is housed in a 15th century church. Others are the Museum of Ceramic Art, the D Solomos Museum and the Asian Art Museum.

Corfu is one of the most beautiful, lush green islands of Greece. With countless beaches, a few hundred villages, nearly a thousand churches, stunning scenery stretching from the crystal clear dazzling sea to the mountains, valleys, lagoons, waterfalls, forests and numerous caves, it is a dream destination. The fauna and flora is world famous due to the Durrell family and especially since the TV series. Together with fantastic cuisine, excellent shopping and an historic main town brimming with Venetian architecture and charm, it has something for everyone.
