What we love

- A newly renovated villa just a short walk from Grace Bay Beach, one of the Caribbean's most famous stretches of sand
- Easy access to Smith's Reef, renowned as the best off-beach snorkeling spot in Providenciales — perfect for spotting turtles and tropical fish
- Spacious pool deck with plenty of sunbathing spots, shaded lounging, and a rooftop terrace ideal for sunrise yoga or sunset cocktails
- Restaurants, cafés, and shops are all within walking distance, making it easy to dine out or explore the local area

What you should know...

- The villa is set over two buildings: the main house with two bedrooms and the separate guest pod with one bedroom — great for added privacy but something to note for families with younger children
- Grace Bay Beach access is a short walk (approx. 3–5 minutes), not directly beachfront
- While snorkeling at Smith's Reef is incredible, guests are advised to bring or rent equipment locally
- Kids should be supervised around the pool area at all times for safety reasons
