Overview

Set against the dramatic slopes of Mount Epomeo and surrounded by citrus-scented gardens, Villa Eracle captures the timeless beauty of Ischia's west coast. Built in traditional Mediterranean style, its whitewashed arches and cool tiled interiors open to terraces with sweeping views, while a private pool with a spacious solarium invites long days under the southern Italian sun.

Inside, the villa is airy and welcoming, designed for both comfort and privacy. Four bedrooms, each with air conditioning, accommodate up to eight guests, making it an ideal retreat for families or two couples travelling together. Communal spaces are bright and unfussy, with charming touches of local craftsmanship, while two bathrooms ensure convenience for groups. Outside, the garden offers ample space for al fresco dining and quiet moments shaded by orange and lemon trees.

Perfectly positioned between Forio and Lacco Ameno, Villa Eracle places you close to Ischia's most beloved attractions. From here, thermal parks, lush gardens and sandy bays are all within minutes, creating the perfect balance between seclusion and discovery.

What we love

- The villa's peaceful garden setting, with lemon and orange trees surrounding the pool.
- Short distance to San Francesco Bay and close to Ischia's most famous thermal parks.
- Traditional Mediterranean style with arched terraces and bright interiors.
- Getting around the island is easy, with a regular local bus service, car and scooter hire options. On request, we can provide the contact of a trusted driver/taxi, available on call or for dedicated transfers.

What you should know...

- The villa has only two bathrooms for four bedrooms, so guests may need to share.
- The property is residential, so while private, it does not sit in complete seclusion.
- Whilst this property is within walking distance of the nearest restaurant, please note that there is no pedestrian path. A longer walk will take you to the beach, but the journey is downhill, meaning the return journey may feel steep.
- Please note the property is actually located on the island of Ischia. Regular ferries depart from Porto d'Ischia and Porto di Casamicciola to Naples.
- Access to the property is via a narrow local lane of about 100 m. While standard for the island and passable by large vehicles, it may feel less convenient to first-time visitors—a typical feature of many island properties.
