Overview

Majol Alpin is a private alpine retreat where design, comfort, and mountain tradition blend seamlessly. Spread over four levels and spanning 530 sqm, this chalet welcomes you from the moment you drive into its underground garage, complete with charging stations for cars, bikes, and scooters. Every space has been thoughtfully designed, from the ski room with boot warmers to the light-filled living area at the top floor.

On the ground floor, the private wellness area invites pure relaxation with its chromotherapy pool, Finnish/bio sauna, and lounge chairs, all crafted in natural materials. Two spacious en-suite bedrooms open directly onto a terrace with loungers, outdoor seating, and a barbecue kitchen. Upstairs, three more double bedrooms and a cosy family room with a queen and ladder bed offer comfort wrapped in warm wood tones, natural linens, and en-suite bathrooms.

At the heart of the chalet lies the second floor living and dining space, where vast windows frame the Dolomites, a fireplace flickers in the background, and the open kitchen is made for gathering around food and wine. With its terraces, spa, and elegant interiors, Majol Alpin is more than a holiday home, it's an alpine experience designed to be shared.
