Overview

Villa Yoga Bali is a tropical sanctuary hidden away in the heart of Seminyak, offering 1,400m² of lush garden grounds and a blend of traditional design with modern comforts. Stepping inside feels like entering a private oasis: alang-alang thatched pavilions, hand-carved teak furniture, and artworks collected from across Indonesia set the tone for a retreat full of charm and soul. At the centre of the estate lies a sparkling swimming pool, bordered by palms, flowering plants and shaded lounging areas, the perfect backdrop for both lively gatherings and quiet reflection.

The villa is built for togetherness as well as tranquillity. A vast open-sided yoga shala overlooks the pool, making it an inspiring space for retreats, special events, or simply morning sun salutations. Inside, there are multiple lounge areas, from breezy verandas to cosy sofas for film nights, while the fully equipped kitchen and two huge teak dining tables, one indoors, one outdoors, invite communal meals.

With seven spacious suites spread across the main house and private garden bungalows, each complete with air-conditioning, veranda, and tropical-style en-suite, Villa Yoga Bali welcomes up to fifteen guests in style. A peaceful sanctuary just minutes from Seminyak's colourful streets and beaches, it's a villa that balances serenity with vibrant island living.
