Villa Taramille

Overview

Villa Taramille is a serene four-bedroom hideaway, designed around a central tropical garden where a shimmering stone-lined pool takes pride of place. The villa is composed of three traditional-style pavilions, each brimming with natural light and warm character. Inside, you'll find a welcoming blend of modern comfort and Balinese charm, whitewashed timber ceilings, carved wooden furniture, terrazzo floors, and splashes of colour through textiles and artwork.

The main pavilion houses the living and dining spaces, where large openings frame the garden view and the breeze drifts in from the pool. Meals can be shared at the generous dining table, set beneath a bright wooden structure that can be curtained off for cosy dinners, while evenings are best spent lounging on the sofas with a film. Each of the four bedrooms offers its own retreat, with king-size beds, air-conditioning, and elegant en-suite bathrooms. Two master suites boast hand-carved headboards and rainfall showers, giving each space a refined touch.

Outside, sunbeds shaded by palms and a charming gazebo invite lazy afternoons, while the garden's greenery provides an atmosphere of complete calm. Peaceful yet close to Seminyak's vibrancy, Villa Taramille is perfectly placed for a restful Bali escape.
