Villa Arte Bali

Overview

Stepping through the gates of Villa Arte Bali, you're welcomed into a vibrant Seminyak hideaway where traditional Balinese design meets chic, contemporary style. The vast open-plan living pavilion is filled with character, think reclaimed teak beams, hand-carved artwork, and splashes of bold red that bring the space to life. There's a sunken lounge for relaxed afternoons, a raised dining platform for shared meals, and a cosy corner with a large sofa facing the television for lazy film nights.

Beyond the living space lies the garden, an impressive 1,200 square metres of lush greenery and swaying palms. At its heart shimmers a private pool edged by timber decking and sun loungers, perfect for long, languid days under the Bali sun. Children will love the wide lawns, while adults can retreat to shaded corners with a cool drink in hand. Just beyond the villa, Seminyak's golden sands, buzzing boutiques, and lively dining scene wait to be explored, though you may find it hard to tear yourself away from the villa's charm.
