## Overview

Villa Du Ho invites you to experience Bali through the timeless charm of a traditional Joglo house. With its soaring timber roof, carved pillars and open, breezy design, the villa has a soulfulness that instantly sets the tone for a tropical escape. Step inside and you'll find rustic wooden interiors softened by handpicked artwork and sculptures, with cosy seating areas and a flat-screen TV for easy evenings. A fully equipped kitchen and elegant dining space bring modern convenience to the villa's traditional design.

Outdoors, the ten-metre pool glimmers between palms and flowering plants, edged with timber loungers dressed in soft blue cushions. A parasol offers shade while the wide veranda is the perfect gathering spot for afternoon snacks or sunset drinks. The three serene bedrooms, all with air-conditioning and en-suite bathrooms, are tucked into wooden pavilions that look out onto the garden. Mornings here are unhurried, take a refreshing swim, sip coffee on the veranda, or simply listen to the breeze rustling through the trees.
