What we love

- At Villa Rodonell, a generous mix of living areas and outdoor spaces makes it easy for groups to spread out or come together
- The bunk-bed room creates a fun, dedicated space for children while adults enjoy the larger bedrooms
- The villa's location offers access to both Costa Brava beaches and medieval inland towns

What you should know...

- The villa sleeps up to 16, but some of the beds are bunk beds, which are best suited to children or teenagers
- While the pool is private, it is unfenced, so younger children will need supervision outdoors
- With three floors and multiple staircases, the house may be less convenient for those with limited mobility
- Car hire is strongly recommended so guests can explore beyond the villa with ease!
