Overview

At the heart of the Dolomites, surrounded by meadows, forest, and snow-dusted peaks, Mas Alpin redefines Alpine escape with authenticity and grace. Set 1,600 metres above sea level near Arabba, this remarkable chalet unites the soul of a historic mountain farmstead with the comfort of refined modern living. Crafted from ancient wood and natural stone, the property radiates warmth and quiet grandeur, a private haven where time slows and nature takes centre stage.

Spread across two connected buildings, the Maso and the Masetto, Mas Alpin comfortably accommodates up to seventeen guests. Inside, vast open spaces unfold across three floors, where exposed beams, soft lighting, and handcrafted furnishings echo the spirit of the Dolomites. The main living area combines a generous lounge with a fireplace, a fully equipped kitchen, and a dining room designed for long convivial evenings. Bedrooms are restful sanctuaries, each with its own character, balcony, and en-suite bathroom.

On the lower level, an exceptional 200 m² wellness area invites pure indulgence, with a heated pool, sauna, Turkish bath, and Jacuzzi, perfect after a day on the slopes. Outside, wide balconies and sun terraces embrace uninterrupted mountain views, while a private heliport, cinema, and wine cellar elevate the chalet's experience from memorable to extraordinary.
