

Chalet Stellaire

Region: Megeve **Sleeps:** 10

Overview

Tucked into a quiet hillside just above Megève, Chalet Stellaire is an inviting wooden hideaway with everything you'd hope for in a classic alpine escape. From the moment you step inside, warm timber walls, exposed beams and thick-pile rugs set the tone for a cosy and stylish stay. Spread across three levels, the chalet features four restful bedrooms, including a charming dorm-style bunk room that's perfect for younger guests. The open-plan kitchen and dining area feels made for snowy suppers and celebratory breakfasts, while the lounge is all soft cushions, ambient lighting and views of the treetops beyond.

Outside, you'll find a private terrace with panoramic mountain views and a bubbling hot tub for stargazing soaks. And after a day on the pistes or trails, the indoor sauna promises the perfect reset. Located in a peaceful, family-friendly area of Megève, you're just a few minutes from ski lifts, charming cafés and the cobbled heart of the village. This is the sort of chalet that invites long evenings, slow mornings, and a deep exhale the moment you arrive.
