

Chalet Nevara

Region: Megeve Sleeps: 15

Overview

Tucked into the tranquil woods just above Megève, Chalet Nevara feels like a secret alpine world all of its own. Built from honey-toned wood and stone, this seven-bedroom chalet blends old-world charm with crisp, contemporary design. You enter through snow-dusted pines in winter or rolling green meadows in summer, stepping into a space of soaring ceilings, exposed beams, and roaring fireplaces. Natural textures, cosy furs and soft lighting make every corner feel inviting, whether you're curled up in the cinema room or sipping vin chaud by the hearth.

Set across four floors, the chalet is designed with both sociable gatherings and quiet escapes in mind. There are several lounges, a dining room made for long, laughter-filled meals, and a wellness floor complete with hammam, gym and spa-style bathrooms. Bedrooms range from a magnificent master suite with private balcony to a family-friendly lower floor perfect for children and teens. Outside, broad balconies and terraces catch the morning sun or mountain air, with forest and alpine views in every direction. Though wonderfully private, you're just a short drive from Megève's heart and the slopes beyond.

Location & Local Information

Chalet Nevara sits within a peaceful enclave on the edge of Megève, one of the French Alps' most charming and refined ski resorts. Just eight minutes by car brings you to the heart of the village, with its cobbled streets, elegant boutiques and renowned restaurants. The ski lifts are close by, opening up over 400 km of pristine pistes, and the area is just as magical in summer, with hiking trails, golf courses, mountain lakes and meadows in full bloom.

Megève was developed in the 1920s as a stylish alternative to St. Moritz and retains an air of understated glamour. Horse-drawn sleighs glide through the centre in winter, while alfresco cafés spill onto sunny terraces in spring. Whether you're here for snow sports or scenic strolls, Chalet Nevara places you close to it all, without sacrificing space or serenity.
