

Villa Kallisti

Region: Naxos Sleeps: 12

Overview

Perched on a hillside overlooking the cerulean sweep of Mikri Vigla Bay, Villa Kallisti is a Cycladic escape full of light, space, and salty sea air. You'll be greeted by whitewashed walls and pops of Aegean blue, with the gentle scent of rosemary drifting in from the garden. Inside, five bright bedrooms, all with sea-facing views, are paired with four sleek shower rooms, offering restful comfort after long, sun-drenched days.

Step outside and you'll find a generous private pool, fringed by palms and sun loungers, with an outdoor shower for rinsing off the day. Dine al fresco under the pergola, flip something on the barbecue, sip something crisp from the bar, or lounge with a book in the shaded seating area while the waves whisper in the distance. Each bedroom also boasts its own terrace, adding a sense of space and privacy throughout.

The villa is only a few minutes' walk from the sandy shores of Mikri Vigla Beach, one of the most beautiful and unspoiled stretches of coastline in the Cyclades. With the best of Naxos at your fingertips, this villa makes for a barefoot, sun-kissed holiday you won't soon forget.

Location & Local Information

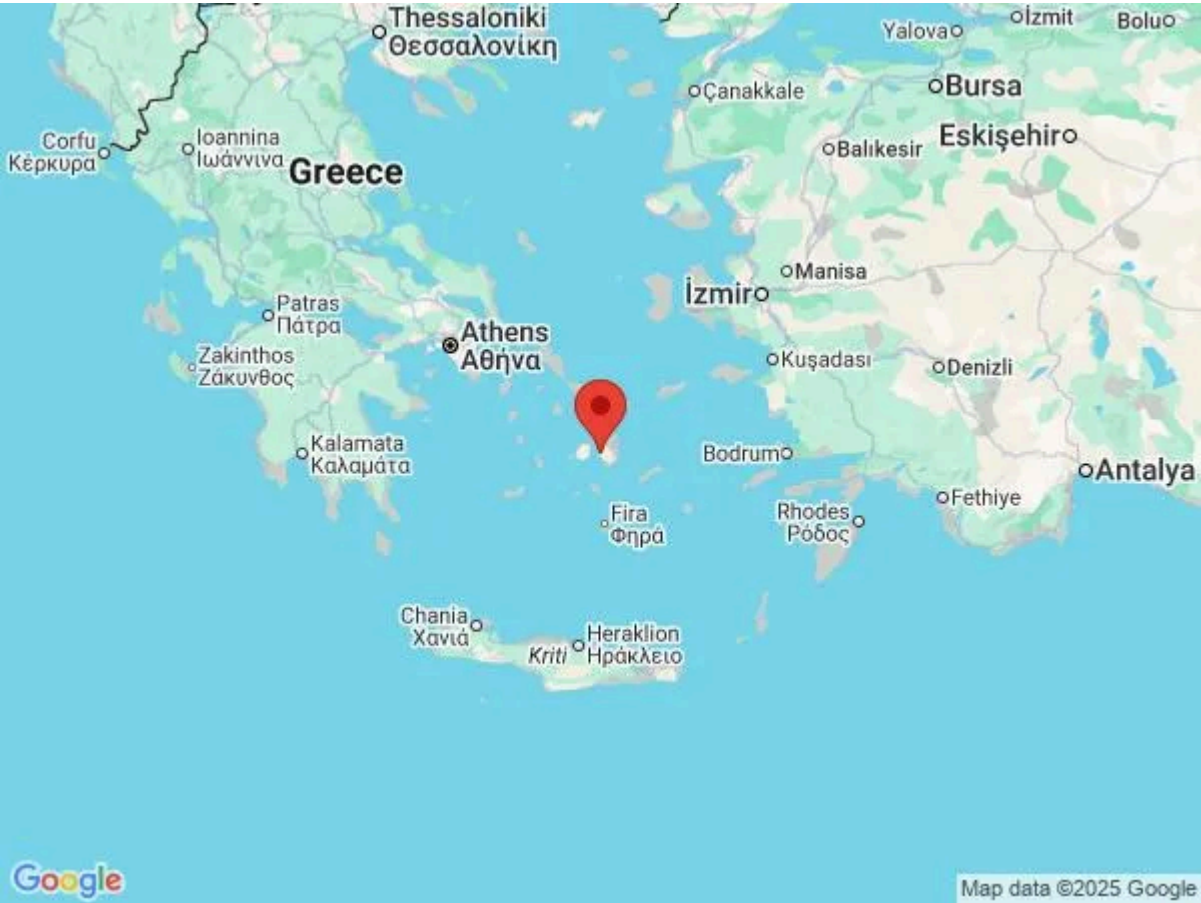

Villa Kallisti sits just above the beach in Mikri Vigla, a small and serene coastal area on the southwest coast of Naxos. Famed for its long golden beach and crystalline waters, Mikri Vigla is a favourite for both relaxation seekers and watersport enthusiasts, particularly kitesurfers, thanks to reliable summer winds and three nearby schools.

The area offers just enough amenities to make your stay convenient without ever feeling touristy, local bakeries, charming tavernas, a small supermarket, and beach cafés are all close at hand. A short drive north brings you to Naxos Town (Chora), with its whitewashed alleyways, Venetian castle, ancient ruins, and a buzzing harbourfront. South of the villa lies the tranquil beach of Kastraki, ideal for those seeking peace and solitude.

Beyond the coast, the island offers hiking trails to Mount Zeus, archaeological gems like the Temple of Demeter, and sleepy villages where time seems to slow. Whether you're in search of beach days, ancient history, or culinary delights, Mikri Vigla makes the perfect base.
