What we love

- The unbeatable frontline location is amazing - just steps from the sea with uninterrupted views!
- The mix of authentic Mediterranean architecture with modern, minimalist touches feels both stylish and comfortable
- Casa Tres Pins is just walking distance from shops and local restaurants in charming Calella de Palafrugell, including a delightful restaurant right next door!

What you should know...

- Please note that the house has no step-free access and has a split-level layout with stairs, so may be challenging to reach with very heavy/large luggage and may not be ideal for guests with reduced mobility
- One of the bedrooms has no exterior windows, only interior
- Due to the beachfront location, the villa might be slightly less private than other options, and it is worth nothing that the only entrance to the property is the front door on the beachfront
