Overview

Tucked into the dramatic alpine landscape of northern Slovenia, Goreljek Lodge is an upscale, fully-staffed retreat designed for larger groups seeking comfort, privacy, and attentive service. Ideally suited for twelve guests, but with space for up to twenty-two, across six stylish suites, each with en-suite bathrooms and additional sofa beds, this property caters effortlessly to extended families, business teams, or those planning boutique celebrations.

A private chef, waiter, and property manager are included in every stay, ensuring day-to-day needs are met with quiet professionalism. Daily breakfast and a 3-course dinner are part of the package, while bespoke lunches and snacks can be arranged with advance notice for an additional cost. Due to Slovenian food safety laws, the kitchen is reserved for staff use only.

Set across four levels, the main lodge features a ground floor with a welcoming reception area, spacious dining room that opens onto the terrace and garden, and a relaxed sitting room. The six guest suites are thoughtfully distributed across the upper floors, each offering a king-size bed, en-suite bathroom, and flexible sleeping arrangements thanks to comfortable sofa beds. The basement level houses staff quarters and the professional kitchen.

Just a short walk from the main house, the separate wellness building offers a Finnish sauna, steam room, infrared sauna and cold plunge pool, available exclusively to guests throughout their stay. With expansive outdoor space, ample parking, and a warm timber interior that balances modern comfort with Alpine authenticity, Goreljek Lodge is a strong contender for winter escapes, small-scale weddings, business retreats and milestone celebrations.
