

Villa Androniki

Region: Andros **Sleeps:** 8

Overview

Tucked into the verdant hills of Andros with the Aegean glittering below, Villa Androniki is the kind of place that instantly slows your step. As the warm sea breeze filters through olive branches and stone paths wind down to a golden, organised beach, time begins to move differently here. This is a home designed for laid-back days and barefoot evenings, where a simple walk down the garden brings you to the shoreline.

Step inside and you'll find a villa that balances charm with comfort. The interiors are fresh and coastal in tone, with four spacious double bedrooms, each with its own bathroom, offering privacy and calm. Whitewashed walls, soft blue accents and rustic finishes create a sense of gentle elegance. An indoor fireplace, radiant heating, and cooling air conditioning make it a welcoming retreat in every season.

Outside, the private pool shimmers beside shaded loungers, with views that reach all the way to the horizon. Kids can explore the garden playground, while adults enjoy sundowners on the stone terrace or a match at the ping pong table. Whether it's quiet mornings, beach picnics or long dinners under the stars, Villa Androniki makes the everyday feel quietly extraordinary.
