

Casa Ferrante

Region: Amalfi Coast Sleeps: 10

Overview

Casa Ferrante is the kind of villa that feels like it's always been in the family, and that's exactly its charm. Tucked away in the heart of Sant'Agata sui due Golfi, this beautifully maintained property is made for laid-back living with those you love most. Spread across two separate buildings, the villa sleeps up to twelve guests in four double bedrooms, with extra beds available on request. The interiors are spacious and homey: a vast open-plan living area with high wooden ceilings, comfortable sofas, and a fireplace; a bright, well-equipped kitchen; and multiple access points to the lush, private garden.

Outside, you'll find a swimming pool, wood-fired pizza oven, two barbecues, and plenty of shaded spots to relax or dine al fresco. The guest annex offers extra privacy with its own lounge, kitchenette and bathroom, ideal for grandparents or friends. With private parking, air conditioning throughout, and WiFi even in the garden, everything's been thought of.

Casa Ferrante is warm, welcoming, and perfectly placed for exploring the Amalfi and Sorrento coasts, though once you're here, you might not want to leave.

Location & Local Information

Casa Ferrante is located in Sant'Agata sui due Golfi, a charming hilltop town between the bays of Naples and Salerno. The villa sits just a short stroll from the centre of town, with cafés, bakeries, and local trattorias on your doorstep, and yet it feels incredibly relaxing, hidden behind its garden walls. From here, you can reach Sorrento, Positano, or Amalfi within an hour by car, and the archaeological wonders of Pompeii and Herculaneum are just a day trip away.

The famous Michelin-starred Don Alfonso 1890 is a five-minute walk, and you're perfectly placed to enjoy local produce markets, wine tastings, and hikes through olive groves and lemon-scented trails. Whether you're renting a boat to Capri, hiking the Path of the Gods, or just sipping limoncello on the terrace, Sant'Agata is an authentic and convenient base.

What we love

- Casa Ferrante is nestled in the heart of Sant'Agata sui due Golfi, just a short stroll from local shops, family-run restaurants, and the renowned Don Alfonso 1890.
- The villa's beautifully maintained garden features a private pool, wood-fired pizza oven, and spacious dining areas shaded by mature trees, ideal for lazy afternoons and long evening meals.
- Split between a main house and an independent guest annex, the layout is perfect for multigenerational stays or families wanting a bit of extra privacy.

What you should know...

- The layout is split across two buildings (main house and annex), so it works best for families or groups happy with a little independence.
- The pool is unfenced, so younger children will need supervision.
- Two single beds and a sofa bed are available on request for a total capacity of 12 people.
- The house is located in a densely populated area, so it may not suit guests seeking high levels of privacy.
- It is a simple and unpretentious home designed for comfortable, relaxed living.
