Overview

Quinta Tavira Serena is a thoughtfully restored farmhouse set in the rural hills of Tavira, in Portugal's eastern Algarve. Designed with care and intention, the house balances traditional materials and antique furnishings with quiet, contemporary comfort. Its four flexible bedrooms - each able to convert between double or twin beds - accommodate up to eight guests, plus a cot. Two have en-suite bathrooms; the remaining two share a family bathroom.

Inside, a handmade kitchen and welcoming sitting room invite slow meals and relaxed evenings. Outdoors, the eight-acre property is arranged with landscaped gardens, a 6 x 4 metre swimming pool, and peaceful corners to pause or gather. The pool includes a shallow section for children and a deeper end for confident swimmers.

A dedicated yoga platform sits higher up the hill, with mats and props available for guests or retreat groups (by request at an additional cost). The surrounding land includes walking paths, fruit trees, and a seasonal river nearby. With a blend of privacy, warmth and natural beauty, Quinta Tavira Serena offers a restful base for families, creatives or wellness-focused stays - just a short drive from Tavira's historic streets and the Algarve's quieter beaches.

Location & Local Information

Quinta Tavira Serena sits in a quiet hillside hamlet in the eastern Algarve, surrounded by olive groves, fruit trees, and open countryside. Though wonderfully rural, it's just a 35-minute drive from Faro Airport and only seven minutes from Santa Catarina, a local town with a couple of minimarkets, a well-loved bakery, and simple restaurants.

The historic charm of Tavira and the fishing heritage of Olhão are both around 20 minutes away, offering access to ferries that reach the region's barrier-island beaches. You'll also find boat tours, kayaking, and wildlife excursions in the surrounding area, with plenty of options for day trips.

Closer to home, there are peaceful walking trails through the hills and a seasonal river for paddling or picnics. The pace here is slower, shaped by the rhythms of the land and the neighbouring farmers who tend the citrus, fig, and olive trees that grow in abundance.

What you should know...

- The farmhouse is formed of two adjoined properties. A large property which is this one, and a smaller property which the owners occasionally occupy - if having sole access to the property is vital to the guests, this should be informed in advance.
- The surrounding countryside is beautifully remote; a car is essential for accessing shops, beaches, and nearby towns.
- A chef service is available if requested at least 2 months in advance - please enquire for more details.
