

La Cime

Region: Provence-Alpes Sleeps: 12

Overview

Bathed in light and set against an ever-changing canvas of rolling Luberon hills, La Cime is a contemporary villa where style meets ease. This chic six-bedroom home sits just above the pretty village of Gordes, offering far-reaching views of Provençal landscapes.

Spread across two levels, the interiors at La Cime balance understated elegance with modern comfort. On the lower garden level, an open-plan living space brings everyone together, whether gathering around the dining table, curling up in front of the Smart TV with Google Chrome or preparing meals in the impressive kitchen. Large French windows open directly onto the poolside terrace, where the lines between inside and out all but disappear. For relaxed evenings, the villa's cinema lounge upstairs is yet another high-end feature.

Back outside, the private swimming pool is a showpiece in itself, with its adjustable depth and sparkling blue surface framed by loungers and shaded spots. Unwind in the jacuzzi or share a Provençal feast beneath the stars at the al-fresco dining table beside the plancha grill. With terraced gardens designed for both play and relaxation, guests can enjoy games of ping-pong or pétanque before retreating to one of six stylish bedrooms, some with en suite bathrooms.

La Cime's enviable location places it just moments from the heart of Gordes, one of France's most iconic hilltop villages. Less than 500 metres away, its cobbled lanes and limestone facades lead to artisan galleries, fine dining and a weekly market bursting with regional delights. This is a superb base for exploring further afield across the Luberon from iconic perched villages to landscapes of forests, cherry orchards and vineyards, perfect for hiking, cycling, wine-tasting and so much more.

For those seeking style, privacy and immersion in Provençal life, La Cime offers a stay that is both effortlessly modern and characterful.
