Villa Gharib

Region: Morocco **Sleeps:** 8

Overview

If Marrakech is a compass, Villa Gharib is its centre. Nestled within the prestigious Four Seasons Resort, this four-bedroom retreat offers the rarest luxury in the Red City: total tranquillity, moments from the action. Whether it's the bustling Medina, chic M Avenue, or the calm of Majorelle, everything is minutes away, but here, the pace slows to your rhythm.

Each of the four serene bedrooms features a king-size bed, private bathroom, and floor-to-ceiling doors opening onto manicured gardens. The living and dining areas are generously proportioned, designed for connection and comfort, with elegant Moroccan touches throughout. A sleek, fully equipped staff kitchen ensures discreet service, while the garden terrace is an ideal setting for long, sunlit meals.

The centrepiece? A large, private swimming pool surrounded by daybeds and tropical palms, perfect for languid afternoons. And if you ever feel like venturing just a little further, without leaving, the villa offers potential access to the resort's spa, pools, restaurants, and even padel courts (subject to availability and Four Seasons' policies).

Modern, calm, and impeccably located, Villa Gharib is the answer to a question you may not have known you were asking.

Please note that the kitchen is for staff usage only; guests are not allowed to cook or prepare any meal. Usage of the kitchen for nibbles (tea, coffee, sandwich, etc.) might be allowed prior to agreement with the owner/property manager.
