

Villa Eirene

Region: Lefkada Sleeps: 6

Overview

Located in the verdant hills above the Ionian Sea, Villa Eirene feels like a private lookout perched between sky and sea. This sleek, modern retreat sits quietly on the slopes of Sivota, where silence is broken only by cicadas and the soft lapping of waves in the distance. Step inside and it's all light, space and clean lines, floor-to-ceiling glass draws the horizon in, framing the shifting hues of sea and sky as if they were part of the decor.

The villa's interiors are crisp and contemporary, with three bedrooms offering a mix of double and twin beds, each with its own stylish en-suite. A sun-drenched living area flows effortlessly into the dining space and high-spec kitchen, where pale tones and minimalist touches keep the atmosphere calm and uncluttered. The Sonos sound system carries your soundtrack from room to room and out into the open air.

Step through the sliding doors and you'll find the real showstopper: a private infinity pool where the water seems to pour into the sea below. Beside it, a heated jacuzzi invites you to unwind beneath the stars, glass in hand. A shaded outdoor dining table, barbecue and loungers complete the terrace, surrounded by rugged nature and uninterrupted sea views.

With its peaceful setting and refined simplicity, Villa Eirene invites slow mornings, long swims, and golden evenings that stretch on well into the night.

Location & Local Information

Villa Eirene is nestled in the hills just above Sivota, a postcard-worthy fishing village on Lefkada's southern coast. Surrounded by olive groves, pine-covered slopes and the glittering Ionian, this unspoilt corner of the island is known for its calm atmosphere and exceptional views.

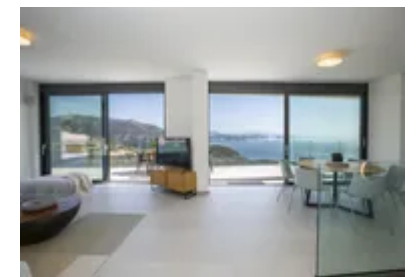

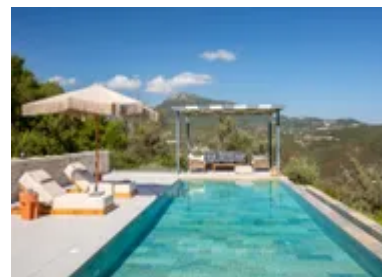

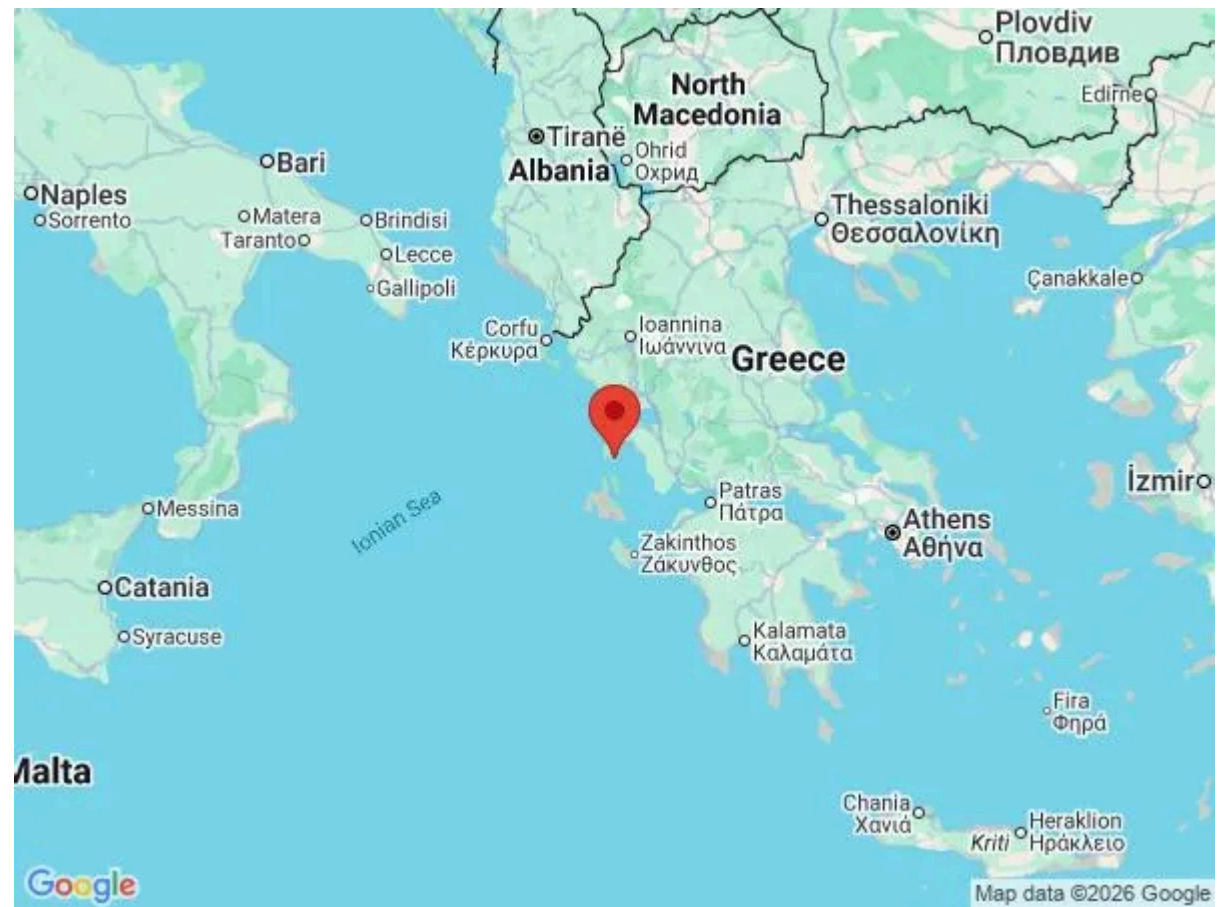

Sivota's charming harbour is just a short drive away, where colourful boats bob beside waterfront tavernas and you can sample some of the best seafood in Lefkada. From here, you can rent a boat to explore hidden beaches or sail around the nearby islands of Meganisi and Kalamos.

The area's natural beauty makes it a favourite for walking and cycling, with peaceful coastal trails and shady inland paths winding through sleepy villages. Lefkada's beaches are famously varied, Agiofilii, Mikros Gialos, and Ammoussa are all within easy reach and offer soft sands, turquoise waters and excellent swimming.

For a taste of island life, nearby Vasiliki and Nidri provide a little more bustle, with bakeries, boutiques, and beach bars to explore. Yet Villa Eirene's hillside perch feels a world away from the crowds, a quiet sanctuary wrapped in nature, with the very best of Lefkada at your feet.
