Smugglers Penthouse

Region: Holetown **Sleeps:** 10

Overview

Smugglers Penthouse presents an elegant expression of luxury living above the shimmering shores of Paynes Bay Beach, where soft sands and clear Caribbean waters create one of the most desirable settings on Barbados' West Coast. Set within an exclusive complex of only seven residences, this upper floor penthouse is introduced through sweeping views of the sea that frame every moment of the stay. Each of the five bedrooms has been designed to reflect a calm Caribbean atmosphere through a blend of refined décor, coral stone finishes and soft natural tones. En suite bathrooms, air conditioning and king size beds elevate comfort, with one bedroom offering adaptable twin bedding. The master suite is further enhanced by a private terrace where the morning light is greeted by uninterrupted ocean views. Inside, marble floors, luxurious furnishings and a grand living room with a crystal chandelier create an inviting sense of sophistication, supported by the presence of a modern European kitchen and a separate indoor dining space that flows toward the expansive covered terrace.

The terrace becomes a focal point of relaxation as gentle sea breezes accompany panoramic vistas that stretch across the coastline. A private plunge pool adds a quiet retreat for cooling off, while generous seating and an alfresco dining area create an ideal environment for long Caribbean evenings as the sky shifts through vibrant sunset colours. A patio bar offers a serene spot for drinks, complementing the ease of villa style living. Guests also enjoy direct beach access, dedicated sun loungers and the option of a communal pool for added leisure. With Holetown only a short drive away, a variety of restaurants, beach bars and boutique shops are always within reach. Smugglers Penthouse is presented as a place where beachfront tranquillity and refined luxury come together to shape a memorable Barbados escape.
