Villa Bel Air

Region: Los Angeles **Sleeps:** 12

Overview

Tucked away in the quiet hills of Bel Air, Villa Bel Air is a refined six-bedroom retreat for up to twelve guests, where timeless architecture meets contemporary elegance. Set on a private flat lot, the home is bathed in natural light from its two-storey coffered ceilings and dramatic triple-height arched windows, offering both scale and serenity.

As you step through the grand entrance, the walnut inlays accenting the maple hardwood floors immediately catch the eye. The formal living room leads into an exquisite library, complete with custom cabinetry, rich dentil mouldings, and a dual-sided fireplace shared with the lounge. Just beyond, the family room, breakfast nook, and chef's kitchen create a warm and welcoming heart of the home, complete with top-tier appliances, centre island, two walk-in pantries, and direct access to the garage.

Downstairs you'll find a spacious en-suite guest room and a second bedroom tucked away in a private wing. Upstairs, the impressive loggia-style landing divides the primary suite from the remaining bedrooms and provides incredible views across the city below. The main suite is a showstopper: oversized with sliding glass doors to a balcony, a stunning bath with wet room, vanity, and a Japanese smart toilet, and a walk-in closet big enough to make you pause.

Outside, the garden is generous and green with panoramic views, a grassy lawn and a sparkling swimming pool, ideal for soaking up the Bel Air sunshine in complete seclusion. This is an estate designed for calm, comfort, and sophisticated California living.
