Salty Cottage

Region: Daytona Beach **Sleeps:** 12

Overview

As the ocean breeze drifts through the open patio doors, Salty Cottage greets you with that unmistakable sense of beachside ease. Pale seafoam walls and polished wooden floors echo the soft palette of sand and sea just beyond the glass. Step inside and the relaxed, coastal interiors set the tone for days spent doing exactly as much, or as little, as you please. The oversized living room, anchored by plush, sea-blue sofas and warmed by natural light, invites long mornings and easy evenings with the Atlantic as your backdrop.

Each of the four bedrooms feels like its own restful retreat with generous proportions. Cool tones, crisp linens, and thoughtful touches throughout lend an inviting charm that feels both casual and carefully curated. The fully equipped kitchen is set for family feasts and fresh seafood suppers, while the dining space brings everyone together over good food and coastal views.

Outside, life flows easily between the shaded patio, sunny loungers and your own direct access to the golden sand. There's a simple joy to watching children build sandcastles just steps away or spotting dolphins over your morning coffee. In the evenings, gather around the firepit beneath swaying palms as the last light fades over the water.

A separate games room adds another layer of fun, air hockey, arcade machines and darts await for rainy-day tournaments and evening challenges. With private parking for four vehicles and the buzz of local dining just moments away, convenience comes built in.

Nestled along a serene stretch of the Atlantic coast, Salty Cottage is made for slow, sunny mornings, seaside adventures, and the kind of days that run gently into one another. Whether you're here for coastal calm or family connection, this is a home where memories come naturally.

You'll find all the essentials close by, groceries, pharmacy, and local shops are just a few minutes' drive, making everyday living easy. But it's the surrounding lifestyle that really sets this area apart. Morning beach walks and sunset swims are practically on your doorstep, with the soft sands stretching out in both directions and the horizon glowing golden each evening.

Families will appreciate the balance between tranquillity and activity. There's plenty of opportunity to rent bikes, paddleboards or kayaks nearby, and several beach parks offer playgrounds and picnic spots.
