Shoreline Escape

Region: Daytona Beach **Sleeps:** 26

Overview

Rising above the dunes with the ocean stretched out in front, Shoreline Escape is every bit the name it suggests. From the moment you ascend the private boardwalk to the front deck, the world shifts, here, the rhythm slows, and the horizon becomes your daily backdrop. Bright, breezy and unapologetically spacious, this seven-bedroom retreat feels less like a beach house and more like a coastal haven built for big gatherings and unforgettable moments.

Step inside and the soaring ceilings and walls of glass draw your eye instantly to the ocean. Sunlight spills across hardwood floors and bounces off soft, sea-toned furnishings in a space that was made to bring people together. A central living area wraps around to a second lounge and game zone, where foosball, poker and pool tables await competitive evenings.

The kitchen is built for feasting, with a full suite of appliances and generous prep space, while the open-plan layout means conversation flows from breakfast through dinner. Seven well-proportioned bedrooms are scattered across both floors, giving everyone a little privacy. The primary suite opens onto its own private balcony, with the sound of waves setting the tone for a slow start to each day.

Outdoors, this home truly comes into its own. A vast deck with lounge seating, al fresco dining and a grill invites all-day ocean gazing. The small pool and hot tub offer the perfect cool-off or wind-down, while the firepit adds a flicker of warmth to starlit evenings. A fenced lawn gives dogs space to roam safely, and the sunrise-sunset roof deck? A front-row seat to rocket launches and sky-high colour shows.

Whether you're gathering the family, planning a retreat, or reconnecting with old friends, Shoreline Escape offers a backdrop of rolling surf, warm sand and shared joy, all just steps from the Atlantic.

Location & Local Information

Set directly on the sand in a quiet stretch of Florida's Atlantic coast, Shoreline Escape offers the perfect balance between tranquillity and access. It's the kind of place where you wake to the sound of waves and still have local eateries, family-friendly activities and beachside bars within easy reach.

The surrounding area is calm and coastal in every sense. This stretch of shoreline is known for its wide sandy beaches, early-morning shell collecting, and laid-back surf spots. It's easy to rent jet skis or paddleboards locally, with several beach equipment hire shops and water sport operators dotted just a short drive from the house. For a bit of adrenaline, you can even book a parasailing adventure or a fishing charter nearby.

Nature lovers will find plenty to explore. There are state parks with walking trails, estuaries with kayak routes, and inland springs just a drive away where manatees often linger. If you're more into history and culture, the nearby Ponce Inlet Lighthouse offers panoramic coastal views and an adjacent marine centre with hands-on exhibits and rescued sea turtles.

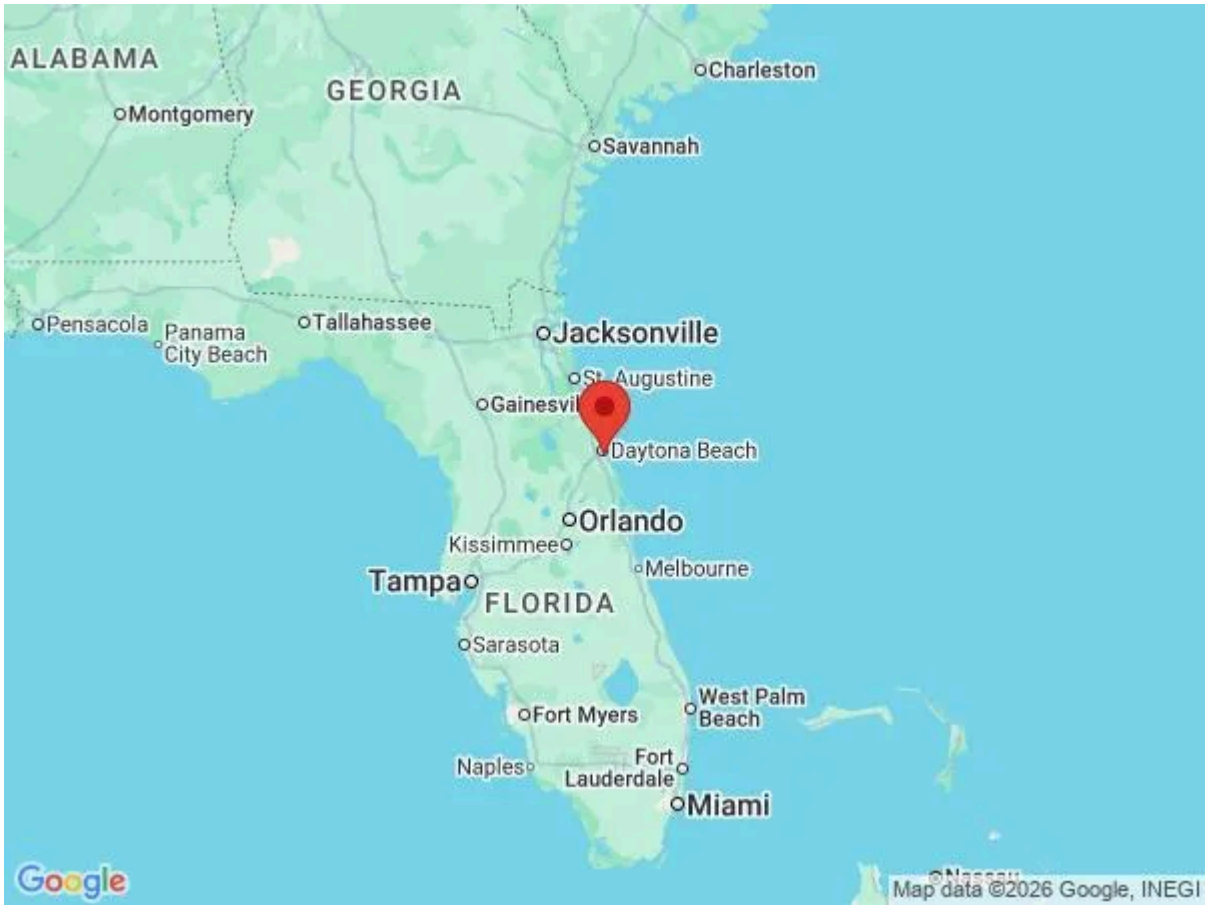

Families will enjoy the convenience of local restaurants and grocery stores, while older guests may prefer the charm of beachside seafood shacks serving up the day's catch. Daytona's boardwalk is within easy reach and offers nostalgic seaside fun, from arcades and candy floss to carnival rides.

Of course, this stretch of coast is also one of the best places in Florida to catch a space launch. Cape Canaveral is close enough to see rockets blaze into the sky from the comfort of your upper deck, a truly unforgettable moment for guests of all ages.

With sweeping sea views, water activities at your doorstep and Orlando's world-famous attractions just over an hour inland, Shoreline Escape puts you in the heart of Florida's east coast, but you might find you never want to leave the beach.

What we love

- Private beach access, ocean-facing decks and panoramic views from nearly every room
- Hot tub, games room and firepit make it perfect for group holidays or multigenerational stays!
- Sunrise-sunset deck ideal for rocket launches, sea breezes and unforgettable group moments

What you should know...

- The pool is compact and designed for dipping rather than swimming
- Multiple staircases may make this property less suited to guests with limited mobility
- With space for 26 guests, larger groups should plan ahead for shared bathrooms (4 in total)
