Palm Pearl

Region: Daytona Beach **Sleeps:** 10

Overview

Perched high above the shoreline in one of Daytona Beach's newest luxury buildings, Palm Pearl delivers an oceanfront stay with true postcard perfection. With four serene bedrooms, three bathrooms, and space for up to ten guests, this coastal-chic condo combines high-end comfort with front-row views of the Atlantic, and it does it effortlessly.

Everything here is designed to bring the ocean into view. Floor-to-ceiling windows flood the living areas with golden Florida light, while sliding glass doors lead you to a private balcony that quite literally overlooks the beach. It's the perfect perch for your morning coffee, evening cocktails, or just a good book and a salty breeze.

The interiors are modern, fresh, and elegant, with soft seafoam tones, ocean-inspired art, and thoughtful touches throughout. The open-plan living and dining space invites the group to gather in style, while the fully stocked kitchen makes mealtimes feel like a breeze, not a chore.

Bedrooms are beautifully appointed with plush beds and calming colour palettes, and the master suite offers uninterrupted water views right from bed. After a day of swimming, sunbathing, or wandering Daytona's famous coast, you'll love retreating here to recharge in comfort.

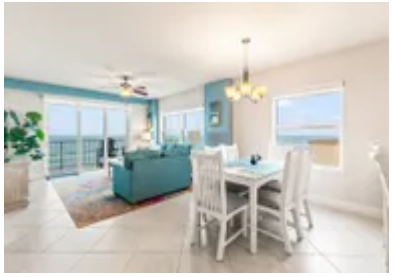

Step outside and you'll find one of the most enviable pools in town. Brand new, ocean-facing, and surrounded by loungers, it's a spot that could tempt you to stay put all day. There's also a hot tub for relaxing soaks and the sand is just a few steps beyond.

From luxury furnishings to unbeatable views, Palm Pearl is that rare beachfront retreat that delivers both style and serenity. For couples, families, or a group of friends, this is what a Florida escape should feel like.
