Maison Hosni

Overview

Hidden behind whitewashed walls in the heart of Oualidia, Maison Hosni is a serene coastal retreat where palm-lined courtyards, arched colonnades and cool tiled floors create an atmosphere of calm from the moment you arrive. Step through the gate and village life softens into birdsong and the gentle shimmer of a heated swimming pool. Inside, the villa blends soulful Moroccan character with thoughtful contemporary touches, centred around a bright open-plan living and dining space where green zellige tiles, sculptural lighting and carved plasterwork set a warm, elegant tone. French doors open onto the courtyard for effortless indoor–outdoor living, while a wood-burning fireplace and shaded terraces make the villa equally inviting in every season.

With five double bedrooms, Maison Hosni is ideal for families or friends travelling together. Three rooms enjoy private terraces tucked quietly away, while two open directly onto the garden and pool—perfect for early risers and easy pool access. Outdoors, the 10-metre heated pool is framed by loungers, straw parasols and swaying palms, and a rooftop terrace adds another layer of privacy, complete with a Berber tent and brazier for relaxed afternoons or starry evenings. Just a short walk from the lagoon and beach, the villa is perfectly placed for exploring Oualidia while still feeling wonderfully secluded. Flexible dining options, from breakfast to half board or a private cook, allow you to shape your stay, whether that means oyster tastings in town or quiet days at home with nothing but sunshine and stillness.

Please note that the kitchen is for staff usage only; guests are not allowed to cook or prepare any meal. Usage of the kitchen for nibbles (tea, coffee, sandwich, etc.) might be allowed prior to agreement with the owner/property manager.

Location & Local Information

Maison Hosni enjoys a prime position in the heart of Oualidia, just one kilometre from the beach and within easy walking distance of the town's cafés, markets, bakeries and seafood restaurants. Set on Morocco's Atlantic coast between Casablanca and Essaouira, Oualidia is best known for its spectacular tidal lagoon, a calm, crescent-shaped stretch of water protected from the ocean's surf by natural sandbars. The pace here is wonderfully unhurried, with a friendly local feel and simple pleasures at every turn, from browsing small shops to stopping for mint tea by the water.

The lagoon and beach offer something for everyone: calm, shallow waters for swimming and paddling, and, just beyond the sandbars, Atlantic waves for surfers and adventure seekers. Windsurfing, kayaking, catamaran trips and lessons can all be arranged locally, while the surrounding countryside invites scenic walks, quad biking and coastal trails. Families can also hire tennis courts nearby, and history lovers will enjoy exploring the atmospheric ruins of a 17th-century royal kasbah at the lagoon's southern edge. With its blend of nature, fresh seafood and gentle adventure, Oualidia is a refreshing coastal escape, and Maison Hosni places you right at the centre of it all.
