Overview

Perched above Santorini's iconic caldera cliffs, Oia Chic is a contemporary five-bedroom villa offering exceptional privacy, elegant interiors, and sweeping views across the Aegean Sea. Set within the whitewashed village of Oia, with its blue domes and church bells, this multi-level retreat combines refined design with resort-style features for an unforgettable island escape.

Designed to enhance indoor-outdoor living, the villa features open-plan spaces, floor-to-ceiling glass, and expansive terraces. Five en-suite bedrooms accommodate up to ten guests in comfort, making it ideal for families or groups seeking a stylish base. A modern kitchen and several serene lounges provide a relaxed setting for socialising, while the surrounding scenery creates a constant sense of connection to the island's beauty.

Outside, the infinity pool appears to merge with the sea, bordered by sun loungers, shaded seating, and an alfresco dining area perfect for long evenings under the stars. Wellness facilities include a sauna, indoor pool, and gym, adding further appeal for those seeking relaxation or rejuvenation.

Despite its central location, Oia Chic offers a rare sense of seclusion. Whether admiring caldera sunsets, wandering Oia's cobbled streets, or enjoying the stillness of the villa's terraces, this is a place that captures the essence of Santorini, serene, striking, and entirely unforgettable.
