

Villa Tamarindo I

Region: Sitges Sleeps: 10

Overview

Behind a row of pine trees in the peaceful Mas Mestre residential area, Villa Tamarindo I reveals a welcoming blend of Mediterranean character and laid-back holiday charm. As you step through the arched doorway, terracotta tiles stretch beneath exposed beams, leading you into cosy, open-plan living spaces with inviting nooks, vintage touches, and rustic textures. The main lounge, complete with fireplace and soft sofas, opens onto the garden terrace, while the traditional kitchen connects directly to an al fresco dining area.

Spread across two floors, the villa sleeps up to twelve guests across five bedrooms, including two master suites with ensuite bathrooms, one double and two bunk rooms. Each room retains a warm, authentic style with wooden accents, soft textiles, and natural light.

Outside, the kidney-shaped pool gleams under the Catalan sun, bordered by wooden decking and framed by loungers and shady spots for quiet moments. Kids can bounce on the trampoline while adults unwind beneath the pergola and grill lunch on the barbecue. With the nearby nature park accessible via the garden gate, and Sitges' beaches just a short drive away, Villa Tamarindo I offers a sun-dappled setting for relaxed family living.
