

Casa Sian

Region: Sitges Sleeps: 6

Overview

Tucked into the tree-covered slopes of the Garraf Natural Park, Casa Sian feels like a secret retreat in the hills. As you enter the villa, sunlight pours through triple-aspect windows, casting warm light on the relaxed, characterful interiors. The living and dining area is laid-back and inviting, complete with an L-shaped sofa, wood-burning fireplace, and a little breakfast bar that opens into a well-equipped kitchen. Upstairs, you'll find three cosy bedrooms and down below, a surprise: a fun-filled games den with table football, projector screen, and lounging cushions for movie nights.

Outside, the charm really unfolds. The gardens wind downward in natural stone terraces, each offering its own peaceful nook to sit or dine. At the bottom, the swimming pool awaits, secluded, serene, and framed by forested hillsides. A shaded dining pergola, ping pong table, and classic Mediterranean planting complete the picture.

Whether you're soaking up the views or just unwinding in nature, Casa Sian is a hillside haven only around 15 minutes from Sitges and less than an hour from Barcelona.
