Baita Bedol

Region: Dolomites **Sleeps:** 6

Overview

Baita Bedol is a soulful mountain escape set deep within the untouched beauty of Val Algone. At 1,180 metres above sea level, this handcrafted Alpine chalet captures the magic of the Adamello Brenta Natural Park, where nature's silence is still sacred and the stars shine undisturbed. With direct access from the surrounding meadow, the cabin stands where a traditional mountain house once stood, now reimagined as a sanctuary of comfort and craftsmanship.

Constructed with natural stone and larch, the chalet honours the materials of the land it rises from. Inside, a warm harmony of fir wood and artisanal furnishings creates a cocoon of mountain charm. The open-plan ground floor houses a kitchen, dining area and a cosy lounge where you can curl up by the television after a day in the fresh alpine air. A sliding wooden door reveals a charming double bedroom, while the modern bathroom features a walk-in shower. Upstairs, the wooden loft offers flexible sleeping arrangements with a king-size double and smaller French bed, with low wood beams, expansive windows and mountain views.

Outside, a solitary fir tree casts shade across the private meadow, where a rustic bench offers the perfect spot to pause and soak up the beauty of the valley. Whether grilling over the wood-fired barbecue, sharing long lunches at the outdoor table or reclining on deck chairs under a changing sky, this is a place to reconnect.

Although within reach of the charming villages and towns of the Trentino region, Baita Bedol feels worlds apart. Set in a protected valley untouched by mass tourism, it offers a rare blend of natural splendour and deep connection to the rhythms of the mountains.

In summer, trails invite you to hike, bike or picnic in the wild, with dramatic views at every turn. In winter, the ski resorts of Madonna di Campiglio and Paganella are within an hour's drive. For cultural adventures, explore Stenico Castle or the prehistoric site of Fiavé, while Stenico and Ponte Arche offer local amenities just 20 minutes away. This is a setting where nature, heritage and adventure meet.

Here, the night skies are truly dark and nature is experienced in its purest form - far from the crowds and lights of modern life.

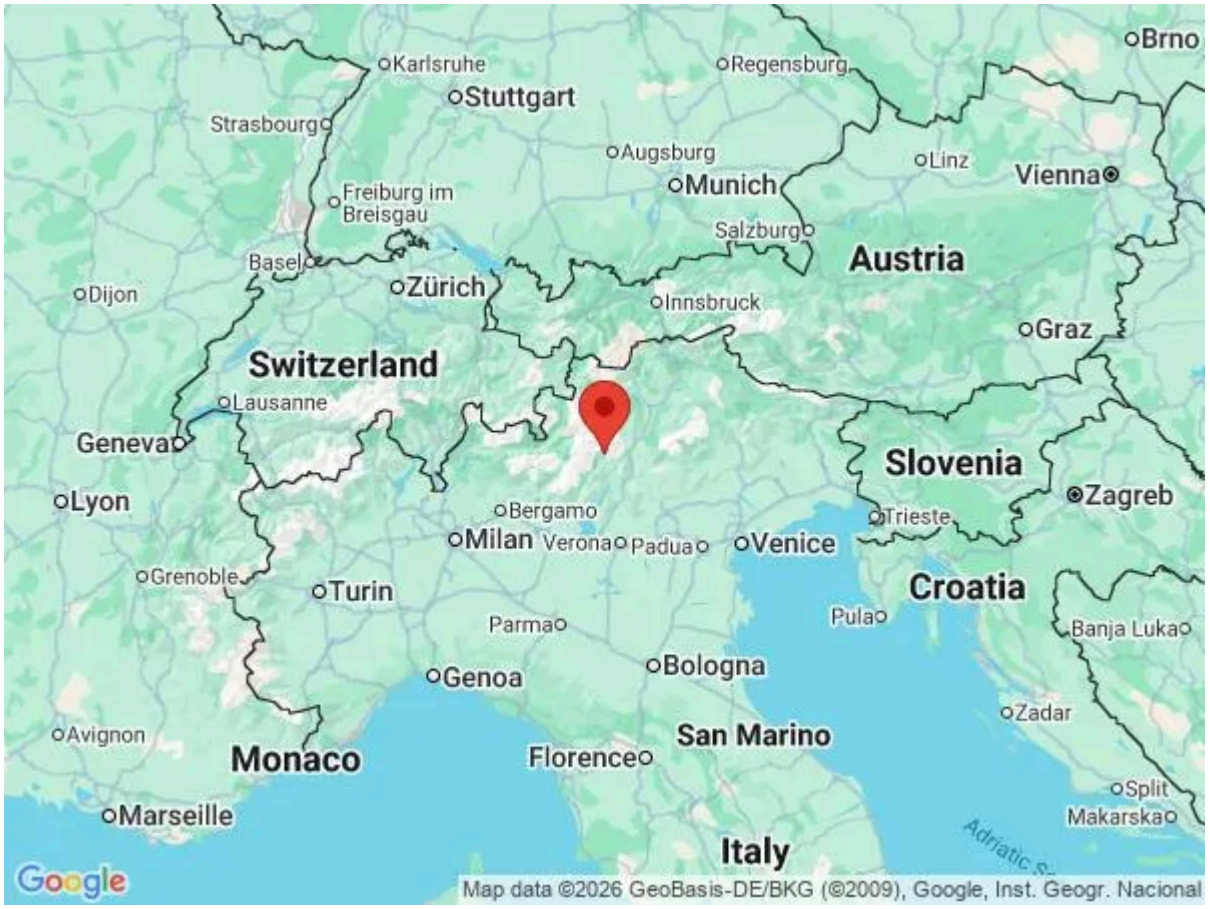

Accessible by car via the main valley road, Baita Bedol offers a perfect base for those seeking both nature and adventure. The valley is regulated for traffic, ensuring less traffic compare to other popular mountain destinations. There are two restaurants in the valley around 5km away (open approximately May to September only) and other amenities in Stenico and Ponte Arche, around 20 minutes by car.
