Overview

Chalet Pin Cembro is a spacious and characterful Alpine retreat set high above the Serre Chevalier valley, offering a warm and sociable base for large groups and multi-generation ski holidays. Built in traditional larch wood and designed with comfort firmly in mind, the chalet sleeps up to fifteen guests across six bedrooms, each paired with its own bathroom, alongside an additional mezzanine sleeping area that works particularly well for children or teenagers.

The heart of the chalet is the generous living space, where exposed timber beams, a central fireplace and large windows frame sweeping mountain views. This is a place made for coming together after a day on the slopes, whether that's relaxing on the sofas, enjoying long meals around the dining table or preparing hearty suppers in the well-equipped kitchen, complete with a professional-style range cooker. A separate TV lounge, library and games area with billiards and table football ensure there's plenty to keep everyone entertained, whatever the weather.

Wellness is a key feature here, with a private sauna and massage room providing welcome respite after skiing, while outside, the expansive terraces and garden invite guests to slow down and take in the crisp mountain air. Positioned just a short drive from the lifts of La Salle-les-Alpes and within easy reach of the wider Serre Chevalier ski area, Chalet Pin Cembro combines traditional Alpine charm with thoughtful modern facilities, making it an inviting and versatile choice for memorable mountain escapes.
