Overview

Set within the landscaped grounds of Periyiali Konnos Beach Resort, Villa Elysia feels calm and contemporary from the moment you arrive. Clean architectural lines and soft neutral tones define the space, while carefully positioned openings draw in light and sea views, creating a natural connection between indoors and out.

The villa is arranged around an open plan living area that encourages easy, sociable living. The kitchen sits at the heart of the space, sleek and well equipped, flowing effortlessly into the dining area and lounge. Large sliding doors open onto the terrace, allowing daily life to drift outdoors as the day unfolds. Furnishings are understated and comfortable, designed to feel relaxed rather than formal, with subtle details that add warmth and texture.

Three bedrooms offer a peaceful retreat at the end of the day, each thoughtfully designed to maximise privacy and comfort. Soft lighting, clean lines and calming colours create spaces that feel restful and uncluttered, while modern bathrooms add a practical touch suited to longer stays.

Outside, the villa's private saltwater swimming pool takes centre stage, framed by sun loungers and greenery that provides a sense of seclusion. The terrace is arranged for both dining and lounging, making it easy to move from morning coffee to afternoon shade and evening meals without leaving the space. Sea views stretch beyond the villa, reminding guests of the coastline just moments away.

Villa Elysia takes its name from Elysium, the mythical land of bliss, and the atmosphere reflects that sense of escape. With access to the wider resort amenities and the surrounding natural beauty of Cape Greco National Park, this is a place designed for slowing down, reconnecting and enjoying the rhythm of coastal life in Cyprus.

Location & Local Information

Villa Elysia is set within an exclusive gated resort overlooking the clear blue waters of Konnos Bay, on Cyprus's southeastern coast. Positioned between Ayia Napa and Protaras, the villa enjoys a privileged location surrounded by the protected landscape of Cape Greco National Park, where coastal paths, sea cliffs and open countryside define the horizon. Larnaca International Airport lies around sixty kilometres away, with the scenic drive offering the first glimpse of the island's varied coastline.

Just below the resort, Konnos Beach unfolds as a sheltered bay of soft golden sand and calm, crystalline waters. Its gently shelving shoreline makes it ideal for swimming and snorkelling, while the surrounding headlands offer quiet spots to pause and take in the view. The wider Cape Greco National Park provides opportunities for walking and cycling through unspoilt scenery, with trails leading to viewpoints, sea caves and hidden coves shaped by the Mediterranean.

Along the coast, Ayia Napa lies approximately nine kilometres away and offers a lively contrast to the calm of the resort. Here, visitors can explore the sixteenth century monastery at the heart of the town, visit the Thalassa Municipal Museum, or join boat trips that cruise along the coastline in search of dolphins, sea caves and quiet anchorages. Yacht charters and organised excursions add further ways to experience the island from the water.

In the opposite direction, Protaras is known for its relaxed atmosphere and long promenade, ideal for strolling or cycling beside the sea. Fig Tree Bay is one of the area's most popular beaches, while the hilltop church of Profitis Elias rewards visitors with sweeping coastal views, particularly at sunset.

As evening falls, both Ayia Napa and Protaras offer a wide choice of restaurants, beachside tavernas and bars. Fresh seafood, local dishes and waterfront dining set the tone before the nightlife takes over, from laid back cocktail lounges to energetic clubs, allowing guests to shape each night as they wish before returning to the calm of Villa Elysia.
