Overview

The Garden Cabana is a thoughtfully designed retreat created for relaxed group stays, where generous indoor spaces and well-planned outdoor areas come together seamlessly. Set across multiple levels, this contemporary villa offers a balanced mix of social zones and private suites, making it well suited to families or friends travelling together.

On the ground floor, the heart of the home is a professional kitchen, ideal for shared meals or private catering, flowing into a comfortable living area and out towards the terrace. Three well-appointed suites, each with its own bathroom, are also located on this level, providing privacy and convenience. Additional living spaces on the first floor offer flexibility for quieter moments, reading, or simply unwinding away from the main communal areas.

Outdoors, the villa is arranged to encourage time spent in the open air. A private swimming pool sits alongside a terrace equipped with an electric barbecue, creating an easy setting for long lunches or evening gatherings. A dedicated rice observatory adds a distinctive local touch, while practical facilities such as a laundry area ensure longer stays are comfortable and straightforward.

The Garden Cabana is a calm, well-considered base designed for unhurried days, shared experiences, and easy holiday living.

Location & Local Information

The Garden Cabana is set in the Comporta area on Portugal's Alentejo coast, a region valued for its open landscapes, quiet beaches and strong connection to nature. Surrounded by rice fields and low-lying pine forests, this part of the coast feels refreshingly unhurried, offering a clear contrast to Portugal's more built-up resort areas.

Within easy reach, guests can explore Comporta village and neighbouring settlements, where understated cafés, boutiques and seafood restaurants sit alongside everyday local life. Long stretches of sandy Atlantic beach are a short drive away, known for their wild beauty and relaxed atmosphere, while the nearby Sado Estuary provides opportunities for nature walks and birdwatching.

Despite its peaceful setting, the area remains well connected to Lisbon, making it accessible for both short breaks and longer stays. The Garden Cabana offers a well-placed base for guests looking to experience Comporta's distinctive rhythm, shaped by landscape, coastline and local tradition.
